Welcome to today's visitors Millwall as we start our League campaign here at Burnden Park.

We go into the game after beating Burnley at Turf Moor on Saturday, and while we have played better than we did then, it was a welcome result with which to kick-off the season.

But there are no two ways about it, we are going to have to fight every inch of the way if we are to achieve our ambition of promotion to Division One.

There is no divine right for us to do well just because we went very near over the last two seasons. It is only by sheer graft and application that we will do well.

Another reason why we will have to fight is that there is a great deal of quality in the Second Division this season.

There are a lot of sides who play good football no matter what and I include newly relegated

Stoke City and Spurs among them.

I have a lot of regard for Millwall too, and they could be one of the danger teams this season.

After a break of a few seasons, it has been decided to start a voucher system for tickets to big matches and you will find today's voucher at the foot of this page.

Cut it out and stick it on the voucher sheet inserted in the programme using glue not sticky tape and as the season goes on and the Cup competitions come along, you could find that the vouchers come in very handy.

It should all add up to a fair distribution of tickets for the big games, which is what everybody wants.

Ian Greaves

NICKY JOHNS (Goalkeeper) — At 6' 3" he is the tallest member of the Club. Nicky was signed from Minehead F.C. for a total fee of £6,000, and made his first team debut, in August '76, against Colchester in the Football League Cup. He is at present serving an engineering apprenticeship at a local firm.

DAVE DONALDSON (Defender) — Signed from Arsenal F.C. in 1973 and made his League debut for Millwall at the age of 18 years. A former English schoolboy international, he has settled in well and has played at both full back and in midfield, with distinction.

JON MOORE (Defender) — Signed from Bristol Rovers in December 1974 for a fee of £20,000. A former Welsh Youth International. Jon was troubled with a back injury at the start of last season, but fought back to make 24 League appearances.

TERRY BRISLEY (Defender) — Joined Millwall, from Orient, in 1975. Terry signed for Orient directly he left school and he made his debut for them at the age of 17. He has become one of the favourites of Millwall supporters, and following a tremendous 1967/7 season, he was voted, in May, "Player of the Year".

BARRY KITCHENER (Defender) — Club captain. One of the most outstanding and popular players ever to appear in Millwall colours. Barry joined Millwall in 1964 and made his League debut in 1967. To date he has made, for Millwall, over 400 First Team appearances. He has a large green-grocers business in Ilford.

TONY HAZELL (Defender) — Signed from Queens Park Rangers for £35,000 December 1974. Tony has made over 400 League appearances for Queens Park Rangers and Millwall. A former England Youth International. He holds a League Cup Winner's medal (when Q.P.R. beat W.B.A. Wembley 1967), and makes an habit of being in promotion teams.

BRIAN HAMILTON (Defender) — Born Belfast. A former Irish youth international, joined Distillery in 1961, and gained his first international cap at the age of 19. Transferred to Linfield and then on to Ipswich, in 1969. A member of their successful UEFA Cup team. Brian, a current international, has played in three World Cup series for Northern Ireland.

BRIAN CHAMBERS (Defender) — Born in Newcastle. Brian made his name and reputation as a mid-field player at Sunderland, and they collected £70,000 for him when he was transferred to Arsenal in 1973. He found it difficult to settle at Highbury and was transferred to Luton for a fee of £30,000. Joined Millwall for £12,500.

TREVOR LEE (Forward) — Signed professional for Millwall in October 1975. Formerly with Epsom and Ewell F.C. in the Athenian League, with whom he gained an F.A. Vase Trophy Runners-up medal. Although, troubled with a groin injury for part of last season, he scored 10 goals.

TONY TAGG (Defender) — Former Kingston and Surrey Schools representative. Joined Q.P.R. as an apprentice in 1972 and signed professional in 1974. Made four 1st Division appearances for Rangers last season. Signed for Millwall in July and will be a tremendous asset to the defence.

JOHN ALEXANDER (Forward) — John played for Cheshire Schoolboys, but on leaving school he moved to London, in order to study for a degree in Geography, at London University. John made his first team debut against Charlton last Easter, whilst still a non-contract player.

JOHN SEASMAN (Forward) — Born Liverpool. John started his career at Tranmere Rovers, before transferring to Luton Town, for a transfer fee of £14,000. Following a two months loan period, John was signed from Luton for a fee of £10,000. Completed 1976/7 as Millwall's top scorer.

Today's Visitors

Millwall may not have figured too prominently in the spate of pre-season promotion predictions, yet they could well become the dark horse—or, should we more correctly say, the dark Lion?—in this season's race.

They were fairly closely involved at one stage last season. Indeed, after they had turned on an outstanding performance to beat us 3-0 at The Den in February, the Lions were only four points behind the third club.

After that their promotion challenge began to crack up for some reason yet the additional experience gained by their younger players, coupled with some shrewd close-season signings by manager Gordon Jago, may well have given them the extra consistency they need to do better this time.

The key figure in any Millwall purge is likely to be Northern Ireland international midfield player Brian Hamilton, who was signed from Everton.

Hamilton, who played in all six internationals last season and who now possesses 37 caps, had been with Everton for two seasons after previously serving Ipswich and Linfield.

Brian Chambers, whose transfer from Luton was also completed during the summer, is another quality player who should add a touch of class to Millwall's midfield play. He's a former Sunderland and Arsenal player who will link up with Hamilton and either Terry Brisley or Phillip Walker.

Walker stepped out of non-League football with Epsom & Ewell straight into Millwall's League team two seasons ago. Striker Trevor Lee was signed from Epsom at the same time and has done equally well. Last season he was Millwall's second-highest scorer with ten goals.

Top scorer was John Seasman, who hit 16 goals. His central striking partner could be Phil Summerill, who once topped Birmingham's scoring list for three successive seasons. He later moved on to Huddersfield and was transferred to Millwall for £25,000 two seasons ago.

Another forward who could be in the side is that much-travelled London nomad Roger Cross who has served five of the capital's clubs—West Ham, Orient, Brentford (twice), Fulham and Millwall. He was unfortunate with injuries after joining the Lions towards the end of last season.

Last season the defence turned out fairly consistently with David Donaldson, Barry Kitchener, Tony Hazell and Jon Moore on parade. A new challenger could be Tony Tagg, a youngster who made several First Division appearances for Q.P.R. before his transfer this summer.

Former Fulham and Orient goalkeeper Ray Goddard could again suffer from the challenge of the 20-year-old six-foot-three-inch giant Nicky Johns who took over for much of the latter period of last season. Fifteen months ago Nicky was performing for Minehead in the Western League. Millwall paid a mere £2,000 to sign him.

When Millwall's promotion drive lost momentum last season they eventually slipped down to tenth place. Considering they had only risen out of the Third Division the previous season, that was a considerable achievement.

They also equalled a club record by reaching the fifth round of the League Cup, going down 0-2 to the eventual winners, Aston Villa, at Villa Park.

The Lions major objective this season, however, is likely to be clinching one of the Second Division's top three positions.

Cambrian

I am delighted to announce that the Cambrian Soft Drinks company will be sponsoring Bolton Wanderers over the next two seasons.

Cambrian is very much a part of the local scene in Bolton—you will find our soft drinks in pubs, clubs and shops throughout the area, not to mention the Supporters Club here at Burnden Park.

It's going to be a great season for the team—their hundredth in the Football League—and when they get the well-deserved promotion that has just eluded them over the past two years, we'll be able to say that it was Cambrian that did the trick!

Managing Director,
